

Ballyvester Primary School

ATTENDANCE POLICY

Introduction

Regular school attendance is crucial in raising standards in education and ensuring that every child can have full access to the school curriculum and reach their potential. Ballyvester Primary School will strive to promote an ethos and culture which encourages good attendance and where each pupil will feel valued and secure.

Mission Statement

Ballyvester Primary School promotes learning in a caring and sensitive environment in which all members of our school community are valued, motivated and encouraged to fulfil their full potential.

Aims

1. To improve/maintain the overall attendance of pupils at Ballyvester Primary School.
2. To develop a framework that defines roles and responsibilities in relation to attendance.
3. To provide advice, support and guidance to parents/guardians and pupils.
4. To promote good relationships with the Education Welfare Service.

Role of the School

The Principal at Ballyvester Primary School has overall responsibility for school attendance; Mrs Burrows (School Secretary) should bring any concerns regarding school attendance to his/her attention.

The Board of Governors provide support by reviewing school attendance figures and targets and ensuring it is placed as an agenda item at each meeting.

Teaching staff regularly monitor the attendance and punctuality of pupils by ensuring that attendance is recorded at the beginning of morning and afternoon registration sessions.

To enable our school to accurately record and monitor attendance in a consistent way we will adhere to the guidance provided in the Department of Education Circular 2015/02, which can be found at the following link:

Ballyvester Primary School is committed to working with parents to encourage regular and punctual attendance.

Role of Parent

Parents have a legal duty¹ to ensure their child of compulsory school age shall receive efficient full time education suitable to age, ability and aptitude and to any special educational needs they may have, either by regular school attendance or otherwise.

If a child is registered in school, their parent has a legal duty to ensure that they regularly attend that school.

It is a parent's responsibility to inform the school of the reason for a pupil's absence on the first day of absence. This should be confirmed with a written note when the pupil returns to school. If the absence is likely to be prolonged, this information should be provided to enable the school to assist with homework or any other necessary arrangements which may be required.

Pupils are expected to be in school at 9.00a.m. for registration and the beginning of classes. It is the responsibility of parents to ensure that your child is punctual. Lateness is recorded at registration and on your child's attendance record.

If your child appears reluctant to attend school please discuss the matter promptly with the class teacher or Principal to ensure that both you and your child receive maximum support.

Role of Pupils

Each pupil at Ballyvester Primary School must attend school punctually and regularly. If you have been absent from school, a written note from a parent/guardian must be provided to your teacher when you return.

Absence Procedures

All Parents/Guardians are required to write a note to the class teacher outlining a clear reason for any absence.

Family holidays during Term Time

Ballyvester Primary School discourages holidays during term time due to the impact they have on pupils' learning. Family holidays taken during term time will be categorised as an unauthorised absence. Only in exceptional circumstances will a holiday be authorised.

Procedures for Managing Non-attendance

The Principal will monitor non-attendance. If a pupil's attendance is flagged up as an on-going issue the Principal will:

- Contact the parent to discuss the reason for non-attendance
- Discuss the non-attendance with the Education Welfare Officer
- Write to the parent outlining the attendance percentages and notify them that if the attendance does not improve, a referral may be made to Education Welfare Services.
- Make a written referral to Education Welfare Services

¹ Article 45(1) of The Education and Libraries (NI) Order 1986

Education Welfare Service

Education and Library Boards (ELBs) through the Education Welfare Service (EWS) have a legal duty to make sure that parents meet their responsibility towards their children's education.

If a pupil's absence causes concern, or if their attendance falls below 85%, they will be referred to the EWS, if appropriate. EWS will support staff and parents in developing and implementing strategies to address or improve school attendance.
